WHAT IS FOCUS NETWORKING?

Focus Networking was introduced by the All Star Group in 2021 to "Focus" on specific Commercial Real Estate Property Types and Loans available based on the interest of attendees at the events. We found our Focus Networking to be more interactive and effective than "breakout sessions". Interactive events have been a hallmark of All Star Group. Think of it as a Hybrid session where attendees and Exhibitors/Speakers can openly have a discussion in smaller groups. Plus, you can easily go from group to group. During the Focus Networking Session all Exhibitors and Sponsors leave their Exhibit Table and the Focus Networking groups meet in 3 areas of the Ballroom.
